Identity Fraud

1. Obama's **birth "certificates"** both short form and the long form released by Obama on April 27, 2011 and currently posted on whitehouse.gov are obvious and easily provable forgeries;

2. Obama's purported **Selective Service registration card** (a requirement for Obama's employment in the federal government) is an obvious and easily provable forgery, manufactured in 2008;

3. Obama's **Social Security number** used on his recent tax returns does not belong to him. It was issued to a man born in 1890. Furthermore there are dozens of other SSN numbers associated with his name.

- Doug Vogt, Paul Irey, Mara Zebest, Reed Hayes (forensic document expert for Obama's law firm), Maricopa County Sheriff's Cold Case Posse, numerous others, all confirm that.
- Numerous graphic anomalies- type fonts, vector vs graphic, artifacts indicating it is fabricated rather than photographed, serial number, chronological problems, etc.
