

DARING TO CALL IT TREASON!

Wednesday, 16 January 2013

From: Walter Francis Fitzpatrick, III United States Navy Retired

To:

- Robert Swan Mueller, III, Director - Federal Bureau of Investigation, Washington D.C. (ORIGINAL)
- The Foreman to each of the two sitting Federal Grand Juries in Knoxville, Tennessee via U.S. Magistrate Judge H. Bruce Guyton for Tennessee's Easter District

**SUBJECT: *DARING TO CALL IT TREASON!* FORMAL
CRIMINAL COMPLAINTS NAMING BARACK
HUSSEIN OBAMA IN COMMISSION OF TREASON! GUN
AND BULLET TAKE AWAYS AND GUN CONTROL!
OBAMA'S DICTATORIAL, TYRANNICAL DISARMING OF
AMERICA!**

1. The massive police response to a peaceful assembly of American citizens in Madisonville, Tennessee on 20 April 2010 was a staged government invented crisis used to thwart exposure of massive government corruption leading back to BARACK HUESSIN OBAMA encompassing every state and federal government agency in between.
2. Today OBAMA, by his signature, encouraged, empowered and incited big and small governments to assault Americans with more invented emergencies. OBAMA laid out specific steps to government agencies, many of which were behind the 20 April 2010 fictional "domestic terrorist," "sovereign citizen" fantasy in Madisonville, Tennessee, to imagine and create and cloak new and more effective and more sinister government fictions in the days ahead. OBAMA WANTS OUR GUNS! OBAMA's steps include:
 - a. Issue a Presidential Memorandum to require federal agencies to make relevant data available to the federal background check system.

- b. Address unnecessary legal barriers, particularly relating to the Health Insurance Portability and Accountability Act, that may prevent states from making information available to the background check system.
- c. Improve incentives for states to share information with the background check system.
- d. Direct the Attorney General to review categories of individuals prohibited from having a gun to make sure dangerous people are not slipping through the cracks.
- e. Propose rulemaking to give law enforcement the ability to run a full background check on an individual before returning a seized gun.
- f. Publish a letter from ATF to federally licensed gun dealers providing guidance on how to run background checks for private sellers.
- g. Launch a national safe and responsible gun ownership campaign.
- h. Review safety standards for gun locks and gun safes (Consumer Product Safety Commission).
- i. Issue a Presidential Memorandum to require federal law enforcement to trace guns recovered in criminal investigations.
- j. Release a DOJ report analyzing information on lost and stolen guns and make it widely available to law enforcement.
- k. Provide law enforcement, first responders, and school officials with proper training for active shooter situations.
- l. Maximize enforcement efforts to prevent gun violence and prosecute gun crime.
- m. Issue a Presidential Memorandum directing the Centers for Disease Control to research the causes and prevention of gun violence.
- n. Direct the Attorney General to issue a report on the availability and most effective use of new gun safety technologies and challenge the private sector to develop innovative technologies.
- o. Clarify that the Affordable Care Act does not prohibit doctors asking their patients about guns in their homes.

- p. Release a letter to health care providers clarifying that no federal law prohibits them from reporting threats of violence to law enforcement authorities.
 - q. Provide incentives for schools to hire school resource officers.
 - r. Develop model emergency response plans for schools, houses of worship and institutions of higher education.
 - s. Release a letter to state health officials clarifying the scope of mental health services that Medicaid plans must cover.
 - t. Finalize regulations clarifying essential health benefits and parity requirements within ACA exchanges.
 - r. Commit to finalizing mental health parity regulations.
 - v. Launch a national dialogue led by Secretaries Sebelius and Duncan on mental health.
3. OBAMA signals to his outlaw government operatives behind the outrage of the Madisonville masquerade not only to do it again, but also to learn from their mistakes and do it better in future days!
 4. OBAMA represents a clear and present danger to U.S. national security, to the U.S. Constitution and to our Republican form of government. OBAMA IS A FOREIGN BORN DOMESTIC ENEMY! OBAMA. OBAMA is working assiduously to destroy America! OBAMA is putting his full weight behind taking guns and ammunition away from citizens. Guns and ammunition those citizens keep and bear to protect themselves from OBAMA'S TRYNNICAL AND DICTORIAL GOVERNMENT!
 5. OBAMA infringes upon, without check or balance, GOD given, Natural and Inalienable Constitutional rights to keep and bear arms! In commission of TREASON OBAMA is engaged in eradicating the CONSTITUTION OF THE UNITED, specifically the SECOND AMENDMENT, by putting his full weight behind stripping Americans of their guns and bullets. OBAMA'S executive actions are pernicious and predatory!
 6. IN STARK VIOLAITON OF THE CONSTITUTIONS SECOND AMENDMENT OBAMA commits TREASON by using his usurped executive power to take away our guns and ammunition. OBAMA HAS ALREADY ORDER MILITARY PERSONNEL TO ENFORCE OBAMA'S UNCONSTITUTIONAL EXECUTIVE ACTIONS! OBAMA'S illicit executive mandates and memorandum are designed to create new gun possession

restrictions, to issue the toughest version of a ban on the sale and ownership and transfer of rifles; to create restrictions on high-capacity ammunition magazines, and presently orders states to conduct intensive background checks for private gun show sales and other "private sales" making way for more aggressive intrusions into the private and personal lifestyles of American citizens. OBAMA today acted to enhance federal database tracking for weapons sales. OBAMA is moving to require GPS tracking devices be used to track guns back to our homes and vehicles. OBAMA's executive directives and memorandums work to infringe on private commercial business pressuring them to stop selling guns, gun parts and gun ammunition or by making it very difficult for commercial outlets to do so. OBAMA infringes on private gun and ammunition transfers by intensifying government restrictions and oversight regarding private gun transfers. By so doing OBAMA forces upon state governments and private business uncounted, unestimated and unfunded financial mandates.

7. Treasonous OBAMA wants any person arbitrarily placed on the on the federal government's arbitrarily populated TERRORIST WATCHLIST to be denied purchase or ownership of guns or ammunition
8. OBAMA aggressively supports persons who arbitrarily populate the National Instant Criminal Background System (NICS). Persons who are called into the NICS by family members or associates who are hostile to gun ownership or otherwise put out by the gun owner are to be denied continued gun or ammunition ownership or purchase.
9. The traitor OBAMA promises severe financial and personal penalties and preventative imprisonment for those subjugated people and organizations that do not obey.
10. OBAMA is using government created and funded hoaxes and staged government emergencies across the nation to incite hysteria and artificial support for his DICTATORIAL and TYRANNICAL adventures.
11. OBAMA also intends to forcibly subject American citizens, as is already the situation, to use government decreed and declared mental incapacity. OBAMA works in a hand-to-glove cooperation with government mental health organizations that intent upon strengthening measures aimed at keeping guns out of the hands of those the government wrongfully declares handicapped by mental health issues.
12. OBAMA lies to the American people about every dimension of his TREASON with every opportunity.

13. As an Act of TREASON OBAMA works to take guns and bullets out of the hand of American citizens while simultaneously providing safe-haven and sanctuary to those bent on the destruction of the United States, its people, and its form of government (FAST & FURIOUS). OBAMA encourages, facilitates and arms our enemies to carry out a WAR on the United States from enemy bases set up in the homeland and around the globe. OBAMA aids and abets these know enemy forces to establish and strike from strongholds OBAMA allows established on American soil.
14. OBAMA refuses to pledge his allegiance to the United States.
OBAMA conspires with leaders of countries, groups and organizations bent upon the destruction of America. By so doing OBAMA engages in TREASON against the United States in every dimension TREASON can be described.
15. As an Act of TREASON OBAMA broke into and occupies the White House by force of contrivance, concealment, conceit, dissembling and deceit. OBAMA is an undocumented illegal alien and spy. Posing as an imposter president and commander-in-chief OBAMA strips civilian command and control over the military establishment. Known military criminal actors—command racketeers such as Martin Dempsey—are free in the exercise of an extra-military government intent upon the destruction of our Republican, constitutional form of governance. There are dozens of senior military commanders no more obedient to the United States Constitution than is OBAMA.
16. OBAMA is joined in his TREASON by multitudes of civilian criminal assistants too numerous to name in this submission. I leave it to the Grand Jury, in the conduct of an independent, autonomous, and unfettered investigation, to assign specificity and particularity to the list of OBAMA'S co-conspiring outlaws.
17. OBAMA is a FOREIGN BORN DOMESTIC ENEMY, an infiltrator, a traitor and a spy. OBAMA installed and operates a government that rivals and competes with our U.S. Constitution. OBAMA operates government not found in our United States Constitution. No document record exists showing Barack Hussein OBAMA to be a United States citizen. OBAMA is an ENEMY OF THESE UNITED STATES; he is a spy, an infiltrator, an imposter, and a fraud! If not arrested OBAMA will continue to commit TREASON. OBAMA is emboldened now and more dangerous to this country's survival as a constitutional Republic than any other threat the United States faces in the world.

We come now to this reckoning: I accuse Barack Hussein OBAMA of TREASON. I accuse OBAMA'S military-political criminal assistants of TREASON. Their criminal

mischievous is recognized as TREASON in pure form.

It needs be said out loud and relentlessly: OBAMA is aiding and abetting America's enemies. OBAMA is lying to the American people in every regard going to OBAMA'S TREASONOUS escapades. OBAMA IS A CLEAR AND PRESENT DANGER TO THESE UNITED STATES OF AMERICA!

This submission renews and extends all previous filings naming OBAMA in commission of TREASON dating from 17 March 2009. The list of ACTS of OBAMA'S TREASON found in this formal criminal complaint is not exhaustive.

My sworn duty is to stand against everything OBAMA stands for. The FOREIGN BORN DOMESTIC ENEMY OBAMA IS NOT MY PRESIDENT! HE IS NOT MY COMMANDER-IN-CHIEF!

“This is not the end. It is not even the beginning of the end. But it is perhaps, the end of the beginning.”

I declare under penalty of perjury that the foregoing is true and correct

Obedient to my oath to the United States Constitution in submission of this criminal complaint for TREASON I remain steadfast and,

BORN FIGHTING,

Walter Francis Fitzpatrick, III
