Re: Public Records Request  
 State v. Kevin Waggoner

Dear Ms. Rondeau,

I am in receipt of your request for documents with regard to the above-referenced matter. The State will be unable to honor your request for records at this time. As the investigation and prosecution of this matter is on-going, these documents are not public record. In addition, from your listed address it appears that you are not a citizen of the State of Tennessee. As the Tennessee Public Records Act authorizes requests from Tennessee residents only, your request is not covered by the Act.

Feel free to contact our office should you have any questions.

Sincerely,

Tyler K. L. Hurst  
 Assistant District Attorney General
