On Friday March 11th, 2016 at approximately 0900 hrs, I conducted an interview with W/F Michelle Fields, DOB 01/10/1988.

Fields reported that on Tuesday, March 8th, 2016, while attending a Donald Trump rally/speech at Trump National in Jupiter, FL, she was battered by Corey Lewandowski, campaign manager for Donald Trump.

Fields alleged that Lewandowski grabbed her left arm as she was asking Trump a question as he (Trump) was answering questions for the press.

This investigation is ongoing.

It should be noted that during my interview of Fields, I indicated that the incident at Trump National took place on March 9th, 2016; when in fact it actually occurred on Tuesday, March 8th, 2016.

After my interview with Fields, I responded to Trump National Golf club, where I met Director of Security Dennis Marinan. I explained to Marinan that I wanted to review video of the Trump rally that occurred on March 8th, 2016. Marinan directed me to Trump National general Manager Tony Servideo.

I was led to Servideo's office by Marinan. Servideo was briefed as to my request. He then called Trump general council, and I was told that they would be back in touch with me once the decision was made as the viewing of the video without any type of legal demand.

Also, on March 11th, 2016, I also contacted Agent of the US Secret Service, West Palm Beach Office, for the purpose of identifying the Agents that were present for the Trump rally. I was later referred to general council in Washington, DC. I made phone contact with general council this same day, and was told that if I wanted to speak with any Secret Service Agent, a request in writing would have to be made to general council.

Additionally, this same day, (3/11/16), CSI Tracie McClendon and I met with Fields at a residence in Palm Beach Gardens so CSI McClendon could take photographs of Fields' injuries. CSI McClendon placed the digital photographs into JPD evidence.

Later in the day on 3/11/16, I received a call from Marinan, indicating that Trump council was willing to allow me to view and capture any video, without any type of legal demand.

On Saturday, March 12th, 2016, I responded to the Trump National Security Office, where I was able to view and capture video of the event. I provided Trump security with a property receipt indicating the captured video, which was captured on a jump drive. It appears that the incident took place at approximately 9:57 PM on 3/8/2016.

I then returned back to the Jupiter Police Department, where I reviewed the video. After a complete review, it appeared that Lewandowski did indeed grab Fields' arm while Fields was engaging Donald Trump as he was walking towards the exit of the ball room that the rally was held in at Trump National.

The video shows Lewandowski reach between Donald Trump and another unidentified male subject (believed to be a US Secret Service Agent), and grab Fields' left arm, as if to physically separate her from Mr. Trump. Just prior to Lewandowski grabbing Fields' arm, it appears that the unidentified male subject, as he was standing behind Fields, placed his hand on or close to her back. This subject continued past Fields, and regained a position closer to Mr. Trump. As this occurred, all persons were walking towards the ballroom exit.

On Friday, 03/11/16, at approximately 1:38 pm, Sergeant Shane Lunsford #215 requested my assistance in photographing Michelle Fields (DOB: 01/10/88). Ms. Fields reported she was battered by Corey Lewandowski, a campaign manager for Donald Trump, during Donald Trump's rally/speech at Trump National located at 115 Eagle Tree Terrace, Jupiter, Florida.

At approximately 4:28 pm, Detective Marc Bujnowski #411 and I were enroute to 2927 Rhone Drive, Palm Beach Gardens, Florida. We arrived at approximately 4:43 pm.

I photographed Ms. Fields using a Nikon D7200 digital SLR type camera with a Nikon 18 x 105 mm lens attached. There appeared to be bruising on her left forearm that measured approximately 3 inches in length.

All items of interest from the case were packaged and placed in to evidence.

This concludes my involvement in this case at this time.

Reference: Witness Statement

On 3/30/2016, at 1019 hours, I was dispatched to the Jupiter Police Department, 210 Military Trail, in response to witness statement for an incident that was reported on 3/11/2016. Upon arrival, I made contact with W/M Michael Spellman, 9/15/1954. Spellman said he was present at the Trump International Golf Club when Michelle Fields was reportedly battered by Corey Lewandowski. Spellman showed me a photo from the New York Times of Fields standing next to Trump, where Spellman is visible in the background apparently looking in the direction of Trump and Fields.

Spellman told me from his perspective, it appeared Fields rushed Trump. He said Fields then appeared to commit a fraudulent fall. When asked how long Fields was located next to Trump, Spellman told me a matter of seconds. I then asked if Fields talked to Trump, or if Trump said anything to Fields. Spellman stated he saw Fields shove the phone in Trump's face, and was surprised she was allowed to do that. He then said seconds later Fields spun around and was very animated. When asked if he saw anyone touch Fields, Spellman said he did not see anyone touching Fields, but his wife saw someone touch Fields elbow.

Spellman completed a sworn written statement, and was sworn to the verbal statements as well. Video of Spellman's statement was recorded on my issued Taser Axon Flex body camera and uploaded to JPD evidence server. There is no additional information at this time.

On Wednesday, March 30th, 2016 at approximately 6:00 PM, I contacted Michael Spellman, DOB 9/15/1964 via telephone regarding possible information he had regarding this case.

Spellman told me that he had attended the Trump rally on March 8th, 2016, and that he saw his picture in the New York Post taken at the rally, looking at the young lady, referring to Michelle Fields. I asked Spellman to tell me what he saw.

Spellman stated that from his angle he had noticed that Fields "rushed" at Trump, but he did not see any contact as he is only 5'6" and he could not see that high up. He added that Fields rushed up to Trump with her cell phone and this action seemed unusual, as Fields was wearing jeans, and he wondered who would get into a Trump rally wearing jeans.

Spellman then indicated that seconds later, Fields turned and acted like a basketball player that was faking a foul, and he thought she might have been drunk. He added that he continued to watch Fields for at least two minutes longer, and he had determined that she was "absolutely" not drunk.

Spellman again told me that he did not see Fields being touched, but that Fields acted if she was pushed and shoved, which in his opinion "absolutely" did not happen, and that he had watched a "giant fraud".

Spellman added that Fields "jammed" her phone at Mr. Trump, towards his neck area, holding it like a frying pan, and shortly thereafter he saw her walk backwards, twist around, and walk around after this action. It should be noted the video footage shows that Fields was wearing high heels at this event, and that the video footage that I obtained from Trump National Security shows Fields holding her phone approximately waist high towards Trump, as the two walked towards the exit of the ballroom. Spellman also stated that it looked like Fields wanted to record with her phone, and he was sure that a Secret Service Agent would have done something based on her actions. As the video footage shows, it appears that several Secret Service Agents were in close proximity to Trump, and no one took any actions to physically remove or separate Fields from Trump.

Spellman also told me that his wife was within hand holding distance of him, and she saw the whole thing as well, but also indicated that his wife thought that Fields' elbow may have been grabbed. I asked Spellman if I could speak to his wife, however, he told me not until tomorrow.

Several times throughout my interview of Spellman, he eluded to the photograph in the New York Times of him at the rally; which, he indicated was worth a thousand words, as he was looking directly at Fields and Trump during this incident; however, to his own admission, he did not see any physical contact.

Spellman also indicated to me that he is a member of Trump National in Jupiter.

It should also be noted that in a review of this investigation, I was told by Lewandowski's attorneys; Kendall Coffey and Scott Richardson, that Lewandowski would not be giving a statement.

Based on this information being relayed to me through counsel, I did not ask Lewandowski any questions as it relates to this case during my contact with him on March 29th, 2016, when he signed for his notice to appear.

On Thursday, March 31st, 2016, I was asked by Chief Assistant State Attorney Adrienne Ellis of the Palm Beach County State Attorney's Office to attempt to get a sworn statement from Donald Trump; as based on his statements via social media and national television, he was a potential witness in this case. I was also asked to try again with interviewing the Secret Service Agents who were assigned to the Trump detail on March 8th, 2016.

Donald Trump had reported that he was grabbed by Michelle Fields on the night in question. Additionally, media reports indicated that an anonymous Secret Service Agent had reported that Michelle Fields was warned twice about her behavior/actions on this evening.

On Thursday, March 31st, 2016, I contacted Attorney Scott Richardson (counsel for Corey Lewandowski) via telephone. I told attorney Richardson that I would like to get a sworn statement from Donald Trump regarding this case. Attorney Richardson told me that he would "make the inquiry" and get back to me. At the time of this report (April 2nd, 2016), I have not heard back from anyone regarding this matter.

On Friday, April 1st, 2016, I made contact with Special Agent _____ of the United States Secret Service. _____ told me that he was assigned to general counsel for the Secret Service, and he was the point of contact for my request, which was as follows:

1. To confirm or dispel if Michelle Fields was warned in any way and at any time; of her behavior or actions, by any Secret Service Agent on the night in question; Tuesday, March 8th, 2016 at a Donald Trump rally in Jupiter, FL.
2. To interview all Secret Service Agents who were in close proximity to Mr. Trump the night of his rally in Jupiter (Tuesday, March 8th, 2016).

_____ responded to my request, indicating that he would get back to me the following week.

Also, on Friday, April 1st, 2016, I met with Chief ASA Ellis regarding this case. Chief ASA Ellis asked me to follow up with the progression of the bruising on Fields' arm, asking for any witness accounts to the condition of Fields' arm the night of the incident, and the days following.

That same day, April 1st, 2016, I contacted Michelle Fields. She was able to provide me with time and date stamped photographs, which she took with her own phone. She had taken a photo of her arm approximately two hours after the incident, which was dated March 8th, 11:54 PM. The photo shows what may be a slight area of discoloration on her left forearm. A second photo, dated March 9th, 8:45 PM, shows more pronounced discoloration/bruising of a left

forearm. A third photo that I personally took on March 11th, 2016 at approximately 9:00 AM, when Fields came in to the Jupiter Police Department , shows even more pronounced discoloring/bruising of Fields` left forearm. Lastly, on March, 12th, 2016, CSI Tracie McClendon of the Jupiter Police Department took several more photographs of Fields, using a scale, which shows the progression of the bruising. All of these photographs have been entered into Jupiter Police evidence.

Also, on April 1st, 2016, I spoke with Jamie Weinstein, DOB 10/11/1983, the boyfriend of Michelle Fields. I asked Weinstein if he saw Fields` arm the same night after the incident. He told me that he did not see Michelle until the following day, and did not focus on the bruising when he saw her, and was unable to provide me with an accurate description of her bruising.

After speaking with Weinstein, I also spoke with Matthew Boyle, DOB 9/9/1987, an editor who published a texting conversation between himself and Corey Lewandowski after the incident. Boyle told me that Lewandowski did not acknowledge any contact with Fields, and indicated that he did not know who she was.
