As seen in the photo on the NY Post Today March 30 on PAGE B, my photo shows my perspective on the matter with the news reporter. I saw her rush up to Mr. Trump & push her phone towards his face, then saw her fall back in what appeared to be a disproportionate reaction and a fake action. I did not see from my view any touching. I truly believe her reaction was fraudulent.

I certify that to the best of my knowledge and belief, all of the statements contained herein are true, correct and made in good faith.
