

- do survive whatever happens I'll have you as a witness. People that I have told that my life is in danger and that I need to see medical on the day of this incident is : Sgt. Stephenson, Sgt. Kern, Corporal Lanier, Sgt. Cagle, Sgt. Butler, Sgt. Ward. So if anything happens to me all these names should be listed in a lawsuit. And you would think there could be some kind of lawsuit for them refusing me a chance to go to the clinic and get medical treatment for an alleged incident their C.O said occurred and for them refusing to let me call the prea hotline.

- will you please help me once again. You have always been great and very helpful and I really thank you and appreciate you

Will you contact this prison about the officer ~~King~~ (Yo Bryson) lying in write-up and not having a witness there and not writing up both inmates like he is supposed to. and find out why they refused medical attention and would not have a rectal exam performed to prove that I am telling the truth, and ask why they refused me the opportunity to call Prea. And talk to them about the protective custody ordeal. Yo Bryson is known to be in his write-ups and I need outside help with this. A person would just really have to think how could someone fit a phone the size of a Verizon moto inside their
