Re: Matter of the usurpation of the
Presidency by Barack Obama

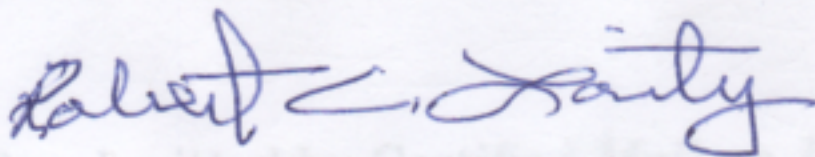

Respectfully,

Dear Mr. Barr,

Congratulations on your appointment as Attorney General of the
United States.

Enclosed, please find a copy of a letter I wrote to President
Trump in April, 2017 and which I copied to Jeff Sessions and General
Joseph Dunford. I have previously filed charges against Obama with
Eric Holder, Jeff Sessions, the DC Police, Robert Muller, when he was
FBI director, et al.

The matter is now in your hands. I trust that you will investigate
this matter. I await your response. FYI, I placed Barack Obama under
formal citizen's arrest with service upon Eric Holder, circa 2012. I
believe this matter is of national security import. I trust that you will
treat this matter with the utmost of seriousness. Your predecessors
apparently did not do so.
