Re: Proposal for New Constitutional
Amendment; Amendment XXVIII

Dear Senator Burr,

I ask that you introduce the following **proposed Amendment to the U.S. Constitution.**

Amendment XXVIII

“The term of art ‘Natural Born Citizen’ as used in Article II, Sec. 1, Clause 5 of this Constitution SHALL mean “A person born in the United States to parents who are both United States Citizens themselves”.

The U.S. Supreme Court defined what a “Natural Born Citizen” is in several cases. One prominent case is *Minor v. Happersett, U.S. Supreme Court, 88 US 162 (1874)*. In that unanimous case the Court said that a Natural born citizen of the U.S. is one born in the United States to parents who are both U.S. citizens themselves.

In the past (13) years alone we have had several non- natural born citizens running for and illegally entering offices for which they are not constitutionally eligible. They are Barack Obama, Kamala Harris, Ted Cruz, Marco Rubio, Bobby Jindal, John McCain, Tammy Duckworth, Tulsi Gabbard and Arnold Swarzenegger. None of these individuals are Natural Born Citizens. This is an issue of grave national security import.
