Dear Mr. Jason White,

I received your letter in the mail today. I also scanned the two documents that you sent and emailed copies to your mother. I will also hold on to the copies that you mailed me. I will give them to your mother when I see her, or I can mail them to her if you want me to do that.

I also went to court for you today and asked for a hearing date. Judge Carter set the hearing on May 19. He said that he will not reset the hearing, and that the hearing will happen on that day. I will enter transfer order for you and Mr. Mullins. I will also inform your other witnesses of the new hearing date. I still have had had any communication with Mark Gaia, but will send police out to his home and continue trying to reach him.

It is my understanding that you will be flown back to Memphis for your hearing. I am not exactly sure how that process will work, but I doubt you will be able to bring documents with you. Please let me or your mother know what all you will need at your hearing so we can be sure to have everything together for May 19.

If you need any additional cases, rules, or anything like that, please let me know, and I will get them to you as soon as possible. I look forward to meeting you in person and wish you success both here in Tennessee and in New Mexico.

Respectfully,

Shae Atkinson
