AT MEMPHIS TN.

DIVISION 3

JASON WHITE

CASE# 17-01568

PETITIONER

VS.

STATE OF TENNESSEE

PETITION FOR WRIT OF ERROR CORAM NOBIS

NOW COME'S PETITIONER JASON WHITE PROSE PURSUANT TO T.C.A 40-26-105 WITH THIS PETITION FOR WRIT OF ERROR CORAM NOBIS IS BEING FILED FOR GOOD CAUSE IN ORDER TO PROTECT THE INTEREST OF JUSTICE. THEREFORE AS STATED:

1].Newly available evidence that was unavailable to the Petitioner during trial that's material to the Petitioner actual innocence.

2].Kristina Cole, a co- defendant, now provides material impeaching evidence that was unavailable to him during trial that proves actual innocence in the form of an affidavit [see appenx A].

"SUMMARY OF FACTS AND NEWLY AVAILABLE EVIDENCE:"

Mr. White was convicted of State Charges base upon circumstantial evidence that was obtained at the residence of co- defendant Kristina Cole and testimony giving by lead detective Mark Gaia. Lead detective Mark Gaia testified that Ms. Cole had sent text message after the package of alleged meth was placed in Ms. Cole home, to whom, he believe was Petitioner White. This evidence of text messages was the heart of the State case against Petitioner, with

no eye witnesses to corroborated detective Mark Gaia testimony. When the facts would provide that detective Mark Gaia was forced to admit during trial that he had personally sent the third text message from Ms. Cole cellphone, but continued to deny sending the other two [2] text messages.

Ms. Cole now provides Petitioner White with material exculpatory evidence in the form of affidavit that was unavailable and could not had been obtain by Petitioner before or at trial due to Ms. Cole's co-defendant status, and Ms. Cole imminent and actual fear of being sent out of State during here incarceration like Petitioner in this matter. Ms. Cole was the only eye witness that could testify to what had occurred at her home during detective Mark Gaia search. Ms. Cole material exculpatory testimony would have proved Petitioner's actual innocence before a trier of fact and this will provide this Court by creating reasonable doubt in this matter

Ms. Cole now provided an affidavit [see appenx A] that she eye witness detective Mark Gaia using her cellphone and sending text messages during the search of her home and that she did not have possession of her cellphone to send text messages during the search after placing the package inside her home. This testimony could also be corroborated by Ms. Cole arrest ticketed that show she was already in custody at 15:30 [see appenx B, Ms. Cole arrest ticket]. When the State's evidence entered during trial of the text messages would show the first text message being sent at 15:38 second text message at 15:39 [see appenx C, Ms. Cole text history enter by the state at trial]. Ms. Cole e material exculpatory or impeaching testimony would also provide this Court with the only authenticate to whom detective Mark Gaia was sending these text message to from her cellphone at the time of her arrest, as stated in the affidavit being Montez Mullins whom also gave detective Robert Christian a statement providing the same information. Montez Mullins who testified at Petitioner White Post-Conviction to the same facts that would corroborate Ms. Cole testimony that he was on the receiving end of the text message from Ms. Cole cellphone and that Petitioner White had no knowledge of the package being sent to Ms. Cole home. Ms. Cole further states Petitioner White did not have any knowledge of this package being sent to her home by Montez Mullins who continues to take responsibility. If this Court cannot determine Ms. Cole affidavit stand alone as newly discovered evidence it would clearly demonstrate on the record that this newly evidence would clearly be impeaching evidence in order to attack the only evidence linking Petitioner to the crime. *When Detective mark Gaia was allowed to testify during Trial in his opinion, and giving the facts that he did not enter into Ms. Cole home until 15:40 (see Appenx D, Trial Transcripts). When the documentary evidence of Ms. Cole Arrest Ticket (Appenx B) would support Ms. Cole affidavit (Appenx A) to be truthful, that Detective MARK GAIA was being dishonest during trial.*

Relief

Comes now Petitioner request that, this honorable Court set his conviction to the side and allows the Petitioner a new Trial or allows the Petitioner an evidentiary hearing to further establish his proof on the record in order to protect the interest of justice.

AFFIDAVIT

The State of Tennessee)

I, Kristina Cole, of Jackson, in Madison, Tennessee, MAKE OATH AND SAY THAT:

1. I was advised not to testify in my case but am coming forward now because I would like to state a few facts I was unable to do so at trial in the case of the events which happened on February 3, 2016 after my arrest at my then home residence of 2552 Jenwood St., Bartlett TN, 38134. I did not speak before out of fear of retaliation because my co-defendant, Jason White, was shipped out of state and I worried that speaking out on my behalf would cause the same to happen to me.
2. I hereby certify I did not track the FedEx package that Detective Gaia placed on the porch of my residence of 2552 Jenwood St, Bartlett TN. 38134 on February 3, 2016.
3. I hereby certify I did not send text messages from my phone after I was arrested on February 3, 2016. I also attest to the fact that I witnessed Detective Gaia search through my phone, send texts from my phone, and answered my phone talking to the caller in an aggressive and jeering manner after I was arrested and handcuffed.
4. I hereby certify that the number 615-917-3749 on my phone that was the recipient of the texts sent on February 3, 2016 belonged to Montez Mullins. Montez Mullins gave a statement that the phone number was his and that he was the caller who spoke to Detective Gaia during the 3+ minute conversation after I was arrested and handcuffed.
5. I hereby certify that my co-defendant, Jason White, had no knowledge of Montez Mullins sending me said package, the nature of its contents or for whom it was intended.
