Re: The New York State Board
of Elections; Complaint

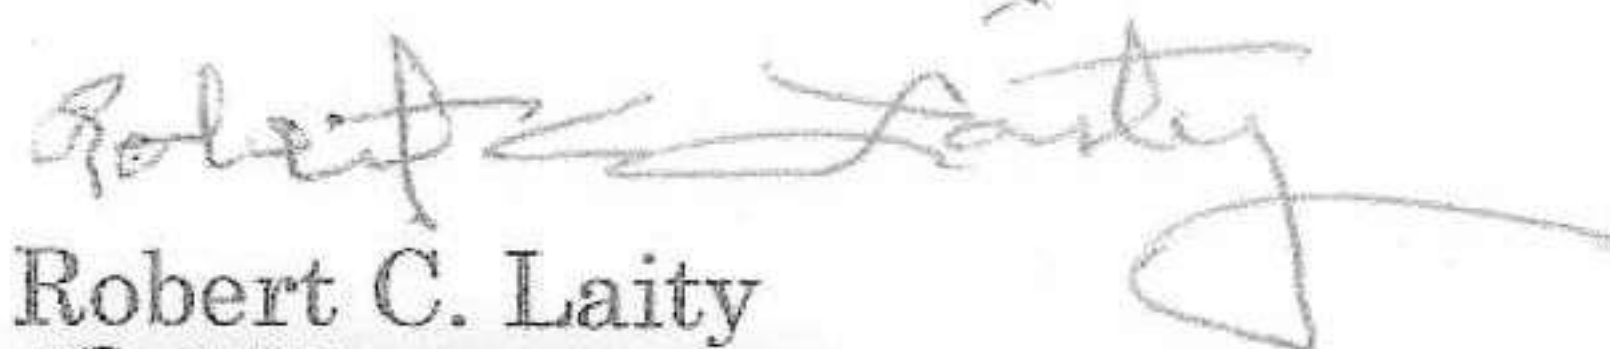

Dear Assemblyman Conrad,

I have had a very longstanding complaint against the New York State Board of Elections of over fifteen (15) years duration.

My complaint involves the willful misrepresentation by the NY Board of Elections of the U.S. Constitutional criteria required to hold the office of President of the United States. I use the word "willful" because the general counsel for the Board admitted that its representations are in error.

The NY Board of Elections misrepresents the criteria in Article II, USConst. That of requiring a President to be a "Natural Born Citizen". The NYBOE having substituted the erroneous term "born a Citizen".

I am attaching recent correspondence from the Board of Elections refusing to correct the error, acknowledgement from the Governor of NY, correspondence from Letitia James, NYAG, and several news items published in the Post and Email. There is no lawful rationale for the NY Board of Elections to continue to lie to the citizens of NY.
