

I was arrested on the same charges on 8/8/1997 but was never given an arrest narrative, despite my claims of innocence. As recent as 9/16/2022 I retrieved a document from the Shelby County Clerk's office that indicates the 8/8/1997 arrest was never presented to a grand jury.(booking number 97040006).

I would never volunteer to a retirement on 3/3/1997 and then completely stop pursuing justice. I had no reason, as the case was dismissed on 4/3/1997.

TCA 10-7-503 states that requests should be timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records.

Reference # MTAS-683, TCA 18-1-202 (A) States that affidavits of complaints are permanent records.

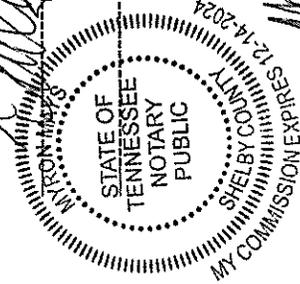

Reference # CTAS- 16-012 Employee Earning Records states, Record of annual earnings for employees. The portion of the record that needs to be kept for the life of the employee needs only to be a state of annual earnings as a backup for retirement or social security purposes.

Additionally the 14th Amendment to the U.S. Constitution: Civil Rights(1868) states, "Nor shall any state deprive any person of life, liberty, or property, without due process of law;nor deny any person within its jurisdiction the equal protection of the laws." The right to due process of law and equal protection of the law now applied to both the federal and state governments.

If the Shelby County retirement board finally furnishes the actual records that initiated the termination of my pension it will reveal the fraud that has happened concerning my retirement and pension earnings.

In conclusion, this entire ordeal was because I blew the whistle on a gang rape and murder that occurred inside the Shelby County Jail in 1995. I, Earley Story, do state under the full penalty of perjury that this information is true.

To: Tennessee Open Records Counselor Maria Bush
From Memphis Tn. Resident Earley Story

Dear Counselor,

The reason that I am respectfully submitting this information is to request your office to enforce transparency in a recent Public Records request that I sent to the Shelby County Retirement Board on 2/23/2023.

I sent an electronic email requesting specifically records ranging from the dates 3/3/1997 to 9/25/1997 concerning my termination from the retirement board,

I waived the right to an estimate and agreed to pay the copying and duplication costs in an amount not to exceed \$15.00.

But on Thursday March 2, 2023, I received an email from Lead Paralegal / Public Records assistant **Lucinda Calhoun**.

The email completely disregarded the \$15.00 copying and duplication amount that I estimated that could afford to pay at this time.

On March 6, 2023 I hand delivered an additional request TCA 10-7-503(a) (2) (A) to inspect the records that I requested

I wanted to make sure that the requested documents that I needed would be included within the \$15.00 range.

I handed the receptionist the hand delivered request to be given to **Ms Lucinda Calhoun**. The receptionist returned approximately 6 minutes later and told me that Ms. Calhoun was on break. I asked if it would be okay if I waited for her to return and was told that I could. 30 minutes later the receptionist called Shelby County Atty. Angela Locklear to see me. Atty Locklear informed me that the information that I was requesting would be on the 4th floor and that I would be contacted.

X I informed atty. Locklear that I wanted to receive the hard copy's written reasons for my X termination from the Shelby County retirement board.

I received another email on March 6, 2023 from atty. Locklear informed me that I would receive a response to my records request within an *additional* 7 business days.

I really do not believe that transparency will be given without the involvement of this open records counsel due to discovering that Ms. Lucinda Calhoun was serving as a Gatekeeper for the Shelby County attorney's office and approved approximately \$269,682.12 to my former employer in 2019.

And I am struggling to get \$ 15.00 hard copy documents.

Counselor Bush, my pension was immediately taken on **3/3/1997** after 17 years of employment was terminated on 2/11/1997 for allegedly selling marijuana in January of 1997. That case was immediately dismissed and ruled lacking probable cause in a preliminary hearing on **4/3/1997**.
